

30TH Anniversary Get-Together

Saturday 13th June 2009

Gilt Edge Social Club, Zortech Avenue, Kidderminster, Worcs. DY11 7DY

This event is being held at the venue where the new Samurai premises are to be built.

To celebrate our 30th anniversary (the club's first session was on June 14th 1979) this year, we are holding a club randori and get-together, similar to last year's event but larger in scope, and being held at the Gilt Edge Social Club on a much larger mat area.

We invite all current and former members to come along. Please bring your kit if you have one — we will have some spares for those whose kits no longer fit! — because we would like to take group photographs of all the players.

The first part of the session will be a chance for the younger juniors to meet and take on the seniors and old hands. Later on there will be a general randori for the seniors.

There will also be the opportunity to have a social event at the end (including a licenced bar).
If you know of any other former club members, please contact them and invite them too.

TIMETABLE

- 10.00 Start of session — please be on the mat by 9.55
- 11.00 Photographs on the mat
- 11.10 Junior red belts depart
- 11.30 Junior yellow & orange belts depart
- 12.30 End of session

There will be a barbeque for each group and guests after they have finished on the mat, and other activities are also being planned.

Please come along and celebrate 30 years of Samurai Judo Club!

Directions to Gilt Edge Social Club can be found on the Samurai website, but the following may help:

From Stourport, go along dual carriageway towards Kidderminster and turn left at first set of traffic lights.

From Kidderminster, go past current Samurai club towards Stourport, over first set of traffic lights (by Fitness First) and turn right at second set of lights.

In both cases, take first proper (non-gated) turn on left (look out for Ceramaspeed on corner) into Zortech Avenue. Take first turn left into Gilt Edge car park. We will be in the function room — you can't miss it!
